

Cutlery, grey

Self-harm resistant cutlery in durable plastic

- Self-harm resistant cutlery as an alternative to metal cutlery
- Cutlery in durable reusable plastic that is very hard to break
- Can withstand both dishwasher and microwave oven

The grey forks, spoons and knives are produced in special plastic with the specific purpose of lessening harm or self-harm. This cutlery enables cutting, still being a safe alternative compared to metal cutlery. *Sold in packs of 25 pcs.*

Sustainability

Recycling as plastic. May be recycled by the manufacturer.

*Our plastic cutlery has a longer lifespan than ordinary disposable cutlery. Dishwasher and microwave use is accepted, as well as mild detergents. However, we cannot guarantee maximum dishwasher cycles, microwave wattage, freezer or oven settings, since all machines operate differently.
