Polycarbonate

■ Maintenance

Can withstand both microwave oven and dishwasher. However, with a long exposure time in the microwave, there is a risk that the products may be damaged or deformed.

Please bear in mind that the use of strong coloring spices, e.g. turmeric, paprika, curry etc. in combination with fatty foods and high heat can leave a discoloration on the plate.

■ Delivery and Warranty

Orders will be shipped within 1-2 weeks.

1 years warranty against manufacturing defects.

(The product is to be seen as 'reusable' with a limited life span through its design and choice of risk-reducing material, therefore no warranty is applicable.)*

■ Sustainability

Recycling as plastic.

*'Reusable' plastic products are aimed to have a longer life span than ordinary disposable products. Dishwasher and microwave use is accepted, as well as mild detergents. However, we cannot guarantee maximum dishwasher cycles, microwave wattage, freezer or oven settings, since all machines operate differently.
